

# CINEMA HUNTER VR

# INTRODUCTION

Cinema Hunter VR takes players into the heart of legendary movie worlds—Marvel, Star Wars, and Jurassic Park . As an interdimensional hunter, you'll fly through iconic scenes, battle enemies, and protect the balance between universes.

**MARVEL**

**STAR  
WARS**

**JURASSIC PARK**

# A CINEMATIC SHOOTING ADVENTURE

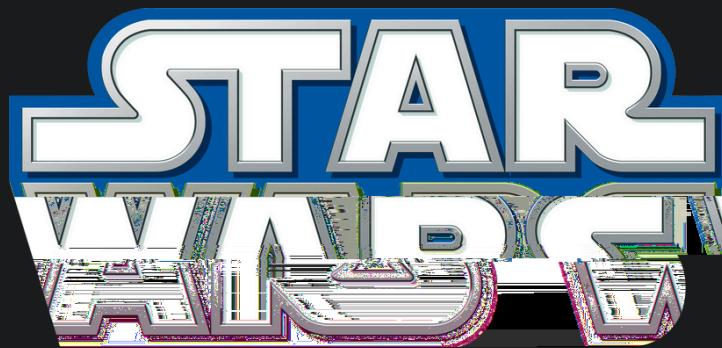

Inspired by classic shooting games like Duck Hunt, players will take on thrilling missions to eliminate enemies across beloved cinematic landscapes. Using VR technology, players can fly and fight in 360-degree action-packed worlds.

# WORLDS TO EXPLORE

Bullet points:

1. Marvel: Fly through New York, battling villains alongside superheroes
2. Star Wars: Fly through space, fighting ships to defend Han Solo Ship
3. Jurassic park: Protect an innocent from the dinosaurs

# GAMEPLAY MECHANICS

- Free Flight Mode: Players can soar through the skies, controlling their movement by spreading their arms like wings.
- Interactive Shooting: Using themed weapon, players aim and shoot moving enemies.

- Dynamic Environments: Real-time effects, such as explosions, force pushes, and weather changes.
- Enhanced Movement: Intuitive flight controls that let you soar through the air as if you're part of the movie.
- Real-time Combat: Engaging battles with quick reflex shooting and dodging.

# THANK YOU
